- Q.7. Read the following passage carefully and answer the questions given at the end. 10

Some ants are social insects. It means that they live in societies, Co-operate with one another and do only the work assigned to them. They go out in search of food in an orderly fashion, marching in lines and columns like soldiers. Different groups of social ants have different jobs to do. They manage their affairs through division of labours. Some ants guard and protect their community. They fight with other ants. Another group gathers food for the whole community. The social ants have not learnt this division of labour. They have inherited it.

- Questions**
- What do we mean by social insects?
 - Why are some ants called social insects?
 - How do the ants co-operate with one another?
 - Why are the members of a certain group called soldier ants?
 - How have the ants learnt the principle of the division of labour?
